# Krypton FXT

SAE 5W-30

**Fully synthetic** lubricant for latest generation gasoline and Diesel engines that require “**fuel economy**” products.

---

PAKELO KRYPTON FXT SAE 5W-30 is a new generation fully synthetic lubricant formulated with selected high quality base stocks and exclusive additives that confer to the product high detergent, dispersant, anti-oxidative, anti-corrosion, anti-wear and antifoam properties.

The synthetic bases used reduce product volatility, oxidation and formation of carbon residues.

This enables PAKELO KRYPTON FXT SAE 5W-30 to provide extraordinary anti-oxidative properties and to avoid formation of deposits also under high working temperatures.

The low volatility of synthetic bases results into a very significant reduction of oil losses caused by evaporation.

The SAE Viscosity Grade 5W-30 guarantees the correct viscosity for the most severe climatic conditions: this means easy and safe start-ups at very low temperatures (also at -30°C) and reduction of wear risks to minimum.

PAKELO KRYPTON FXT SAE 5W-30 is specifically developed for engines requiring "fuel-economy" lubricants. Thanks to the special viscosity properties the use of the product can result into fuel savings and a prompt reply of the engine, making functioning soft and uniform.

Furthermore the product improves protection of all modern engines guaranteeing longer life of post-treatment devices used in modern cars.

PAKELO KRYPTON FXT SAE 5W-30 can be used to extend oil drain intervals, according to Constructors' Recommendations.

Oil drain intervals are usually specified by OEMs and/or on-board electronic devices of latest generation vehicles; their recommendations should be taken into consideration to guarantee engine reliability.

PAKELO KRYPTON FXT SAE 5W-30 is perfectly compatible with all the lubricants that have the same application. However, we recommend to avoid mixing it with other products for not undermining its exceptional properties.

## Application fields

PAKELO KRYPTON FXT SAE 5W-30 has been specifically developed for gasoline and Diesel engines, also using direct injection systems, that require "fuel-economy" lubricants.

PAKELO KRYPTON FXT SAE 5W-30 is a specific product for engines requiring lubricants with ACEA A1/B1 or ACEA A5/B5 performance levels also working under severe conditions and/or long drain intervals.

The product is not suitable for engines requiring lubricants with ACEA A3/B3 or ACEA A3/B4 performance levels.

## Performance levels

**ACEA A5/B5, Ford WSS-M2C 913-D, Renault RN0700, STJLR.03.5003.**

## Chemical-Physical Characteristics

Krypton FXT	Method analysis	Unit measure	Value SAE 5W-30
Density at 15°C	ASTM D1298	kg/l	0,859
Kinematic Viscosity at 40°C	ASTM D445	cSt	56,7
Kinematic Viscosity at 100°C	ASTM D445	cSt	9,9
Viscosity Index	ASTM D2270	-	162
C.C.S. Viscosity at -30°C	ASTM D5293	cP	4.800
HT-HS Viscosity at 150°C / 10 <sup>6</sup> s <sup>-1</sup>	ASTM D4683	cP	3,10
T.B.N. (Total Base Number)	ASTM D2896	mg(KOH)/g	11,4
Sulphated Ash	ASTM D874	% (w/w)	1,25
Flash Point (C.O.C.)	ASTM D92	°C	220
Pour Point	ASTM D97	°C	-42
Noack evaporability test	ASTM D5800	% (w/w)	11,4
